OUR COMMITMENT TO OUR LEARNERS

Our academy is a positive and supportive environment where all learners thrive. We have high expectations, clear boundaries and consistent routines. We work as a team to develop confident learners, confident communicators, and confident future citizens. We are committed to providing an exceptional educational experience for every student.

COMMITMENT 1

Securing Excellent Attendance

Because every student is entitled to fully access the education, opportunities and experiences school provides. No student should miss out.

Everyday Matters

We ensure all students and families understand that good attendance is essential for wellbeing and academic success. We apply the attendance strategy robustly and routinely and have proactive and positive relationships with families.

COMMITMENT 2

Creating a Safe, Calm, and Happy Environment

Because every student is entitled to learn in a school which is safe and happy, where all are valued and where difference and diversity is celebrated.

Every Interaction Matters

We have high expectations of all, consistent routines, and positive relationships, creating a safe, happy and inclusive school environment where all can learn, achieve and be successful.

COMMITMENT 3

Delivering an Exceptional Quality of Education

Because every student is entitled to a high-quality curriculum, consistently high-quality teaching and assessment, and feedback which supports progression.

Every Lesson Matters

We have an ambitious curriculum, consistently high-quality teaching, and rigorous assessment, underpinned by positive relationships and consistent routines for learning: every subject, every teacher, every student, every lesson.

COMMITMENT 4

Providing Enriching and Life-Changing Opportunities

Because every student is entitled to a high-quality personal development, enrichment and CEIAG programme which prepares them for a successful future.

Every Opportunity Matters

We ensure all students access a high-quality age-appropriate personal development programme, a broad range of enrichment opportunities and personalised CEIAG guidance.

COMMITMENT 5

Developing an Exceptional Staff Team

Because every student is entitled to learn in school where all staff, regardless of role, are fully committed to our vision to provide an exceptional quality of education for all.

Everyone Matters

We ensure all staff are clear about how their role contributes to delivering on our commitment. Our positive staff culture is underpinned by great relationships, professional respect, and an appreciation that when we work as a team, we have the greatest impact. Staff wellbeing is central to our approach.
